Foundation

What are the values that make you who you are?

Our values help explain why certain things are important to us and provide a foundation for who we are.

Drive

What drives you?

Companies talk about a mission.
People need a mission too - a purpose...something that gets you up in the morning, excited to meet the day!

Core

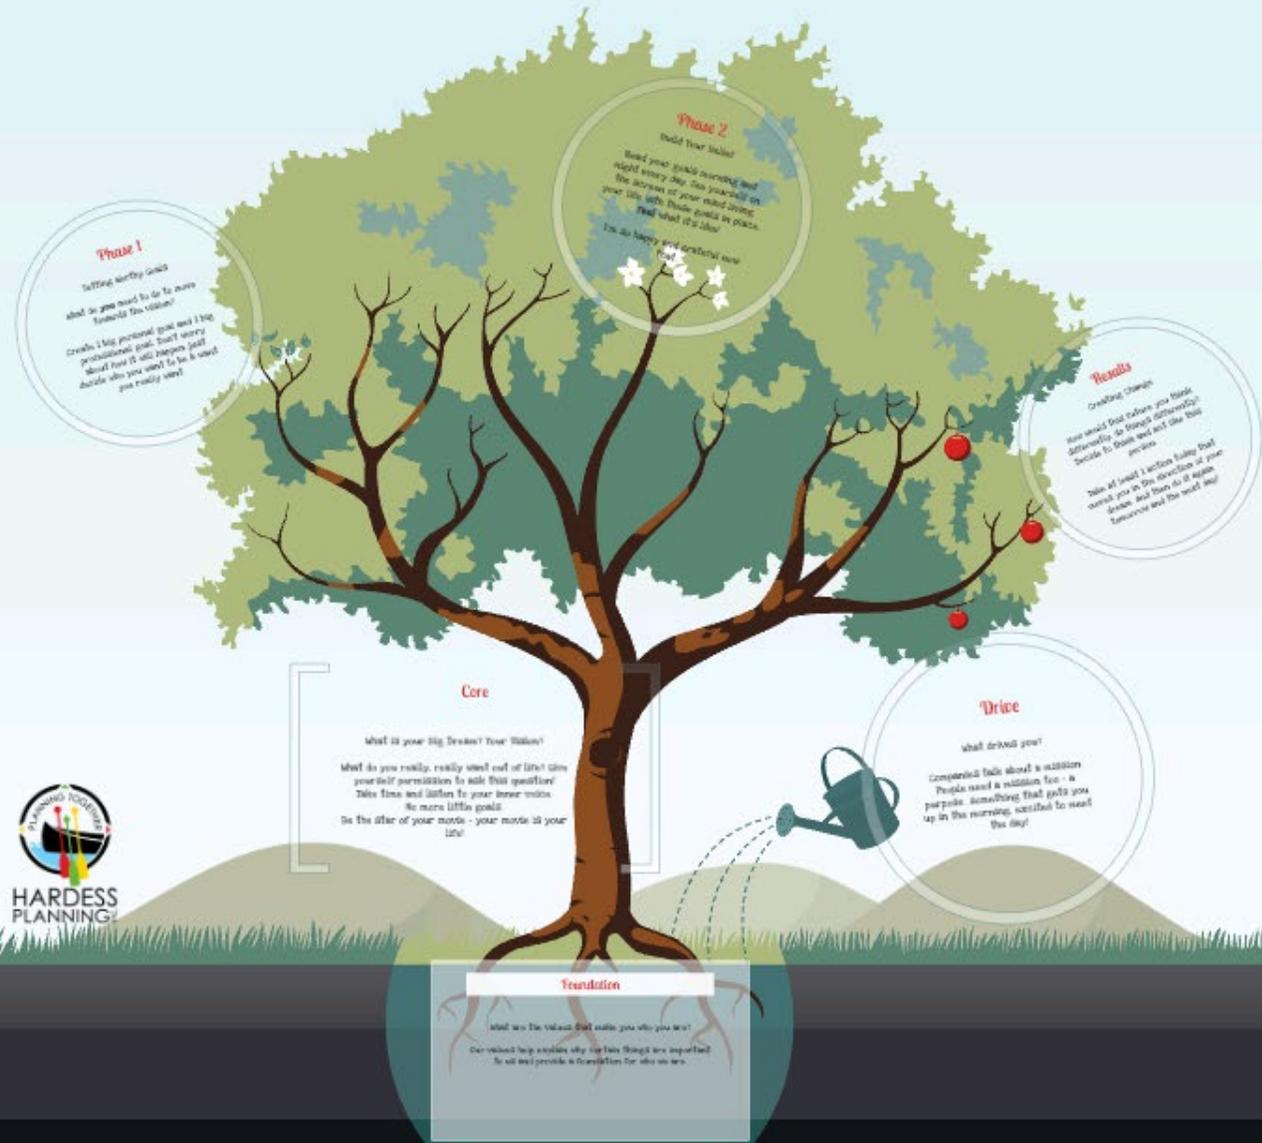

What is your Big Dream? Your Vision?

What do you really, really want out of life? Give yourself permission to ask this question! Take time and listen to your inner voice.

No more little goals.

Be the star of your movie - your movie is your life!

Phase 1

Setting Worthy Goals

What do *you* need to do to move towards the vision?

Create 1 big personal goal and 1 big professional goal. Don't worry about how it will happen, just decide who you want to be & what you really want.

Phase 2

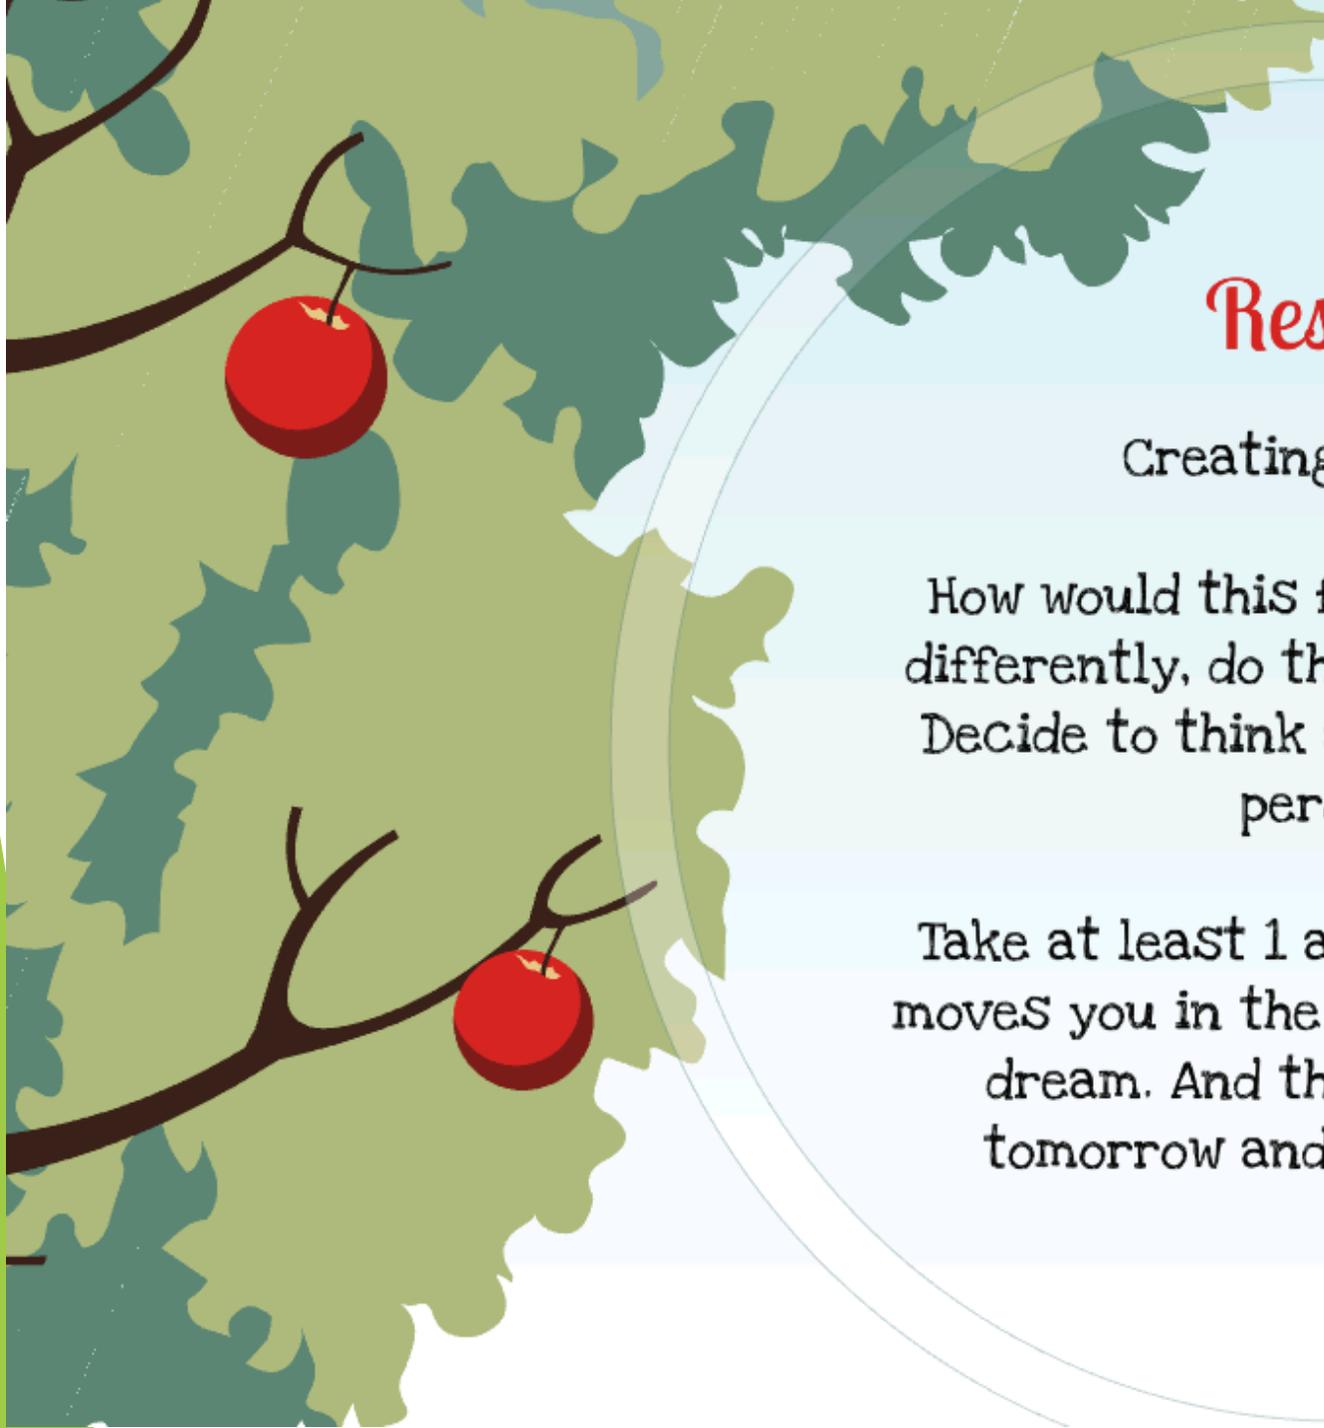

Build Your Belief

Read your goals morning and night every day. See yourself on the screen of your mind living your life with these goals in place.

Feel what it's like!

I'm so happy and grateful now that...

Creating Change

How would this future you think differently, do things differently?
Decide to think and act like this person.

Take at least 1 action today that moves you in the direction of your dream. And then do it again tomorrow and the next day!

Thank you!
